Scott,

I am at CLE today. That date is fine by me. We will take the depositions at Dorsey Whitneys office. I want to depose Olson first.

Did you ask Rheinigans if he has documents.

We intend to file a motion with the Court next week, if necessary, to seek injunctive relief preventing further breaches of the settlement agreement and to preserve the status quo until the Court rules on the enforceability of the provision of the settlement agreement which Lesnar has challenged. We will refrain from doing so if your client agrees not to perform for New Japan again until this matter is resolved. Please advise if you are prepared to do so.

Jerry:

I left you a voicemail late yesterday. I'm thinking Tuesday 12/20 would be good. That way you and I can get out there Monday night, get the depositions done Tuesday and hopefully head back Tuesday night. That gets us back early in the week without getting too close to the holiday weekend. I'm checking on flight availability today. Let me know if that makes sense to you.
